

Saying

Thank you

to

God

With

lego

Think:

What

do you

want to

thank

God

for?

An Animal?

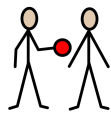

A favourite

food?

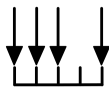

Someone

in

family?

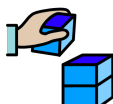

Lots of

things?

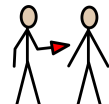

You can

build

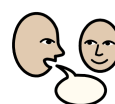

what

you

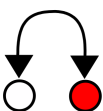

want to

say

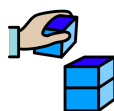

thank you for.

Or

you can

Build

a

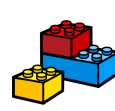

picture

on

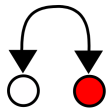

a

lego

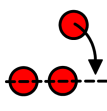

base

Or,

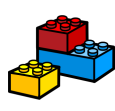

you can

line up

the

lego,

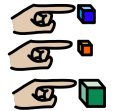

placing

a lego brick

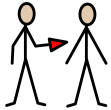

for

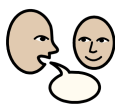

each

thing

you

say

thank you for.

...

If you can,

use

a lego brick

the

same

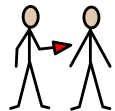

colour

as the

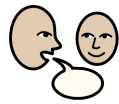

things

you

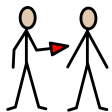

are

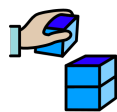

saying

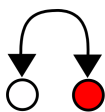

thank you for.

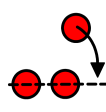

As you

build

or

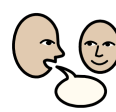

line up

the

lego,

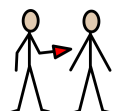

tell

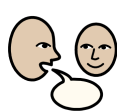

God

what

you

are

saying

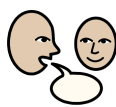

thank you for.

Think

+

and

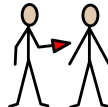

tell

God

?

why

you

are

thankful.
